

Sirenella

CUSTOZA DOC

In the mythology of the Garda area, the lake was once inhabited by mermaids. Legend has it that one night they appeared before a group of fishermen, offering them a miraculous beverage...

PRODUCTION AREA

Gardesane Moraine Hills in the Municipality of Lazise.

SOIL

Clay and limestone soil of morainic origin.

ALCOHOL CONTENT

12,5 % vol

GRAPE VARIETIES

Garganega, Cortese, Trebbiano.

HARVEST

Harvested by hand in the last ten days of September.

VINEYARDS

Vines planted in rows with double arch training system.

AGEING

In stainless steel tanks.

BOTTLE CAPACITY

750 ml

SERVING TEMPERATURE

8-10°C

Vinification

Destemming and immediate refrigeration of the must, followed by fermentation at a controlled temperature of 16°C.

Description

Straw yellow colour with golden reflections. Good persistence on the nose, exuding delicate notes of chamomile and acacia. On the palate, it reveals a savoury and mineral character underscored by a pleasing consistency.

Pairings

Perfect as an aperitif, it pairs well with light main courses and fish dishes.
