

Profetessa

LUGANA DOC

In the mythology, Manto was the prophetess who foretold the marriage between the god Sarca and the nymph Garda. The union of these two entities resulted in the birth of Lake Garda.

PRODUCTION AREA

Moraine Hills of Lake Garda in the Municipality of Desenzano del Garda.

SOIL

Morainic soil of clayey matrix.

ALCOHOL CONTENT

13,5 % vol

GRAPE VARIETIES

Turbiana.

HARVEST

Grapes harvested by hand in the second ten days of September.

VINEYARDS

Double guyot vine training system.

AGEING

4 months in steel tanks + 2 months in bottle.

BOTTLE CAPACITY

750 ml

SERVING TEMPERATURE

8-10°C

Vinification

Soft pressing of the grapes, cold maceration and fermentation at controlled temperature, followed by ageing in steel barrels.

Description

An intense and brilliant straw yellow colour, a fragrant nose, with notes of passion fruit and grapefruit, a velvety, elegant and well-structured body with notes of ripe fruit, a mineral finish and a pleasant sapidity.

Pairings

Recommended as an aperitif and with starters in general and fish dishes. It also pairs well with white meats and fresh cheeses.
